- Tax Planning and Compliance
- Multi-State Taxation
- Entity Structure
- Partnerships and Corporations

DEVIN WITT, CPA, MST

MANAGER

Devin began his career with Bartlett, Pringle & Wolf, LLP in 2012, originally joining the firm as an intern. He is now a manager in the tax department and works closely with clients to provide tax planning and compliance solutions to minimize their tax liability.

While he has experience in a wide range of industries and issues, Devin's focus includes taxation of closely held businesses and high net worth individuals, with a sharp understanding of entity structuring and tax planning strategies.

Devin graduated from UCSB with a Bachelor of Arts in Business Economics with an emphasis in Accounting. In 2018, he received his Master's in Taxation from Golden Gate University.

As an active member of the firm's recruiting team, he co-manages BPW's internship program and is always in search of new talent to join the team. He also serves as board secretary and leads various committees for the CalCPA Channel Counties Chapter.

Devin enjoys outdoor activities such as hiking, climbing, Frisbee golf, surfing and working on his golf game. He is originally from Ojai, California and moved back to the Ojai Valley in 2018.
